Shustoke C. of E. Primary School Phonics Scheme

Phonics is delivered in six phases, using the **Letters and Sounds** scheme of work. The teaching sequence within some phases has been adapted slightly at Shustoke, so that it aligns with the updated National Curriculum. Therefore, the teaching of specific phonemes, patterns and words coincides with the statutory expectations of the National Curriculum.

Phonics teaching is delivered in short, focused sessions, which are explicit and systematic.

Reception

Letters and Sounds phases 1 (if required) 2, 3 and 4 are taught in Reception Class.

Year One

Phase 4 is revisited and phase 5 is taught in Year 1.

Year Two

Phase 5 is revisited and phase 6 is taught in Year 2.

The DfE **Letters and Sounds** Document can be downloaded [here](#).
