Wednesday 10<sup>th</sup> February 2021

Dear Parents and Caregivers,

In September 2020 the Government introduced a new curriculum to be taught in primary schools. This curriculum is called Relationships, Health and Sex Education (RHSE). At Shustoke School, the curriculum we deliver is fully compliant with the statutory requirements. As part of this introduction, schools have been asked to liaise with the school community to consult on the policy and delivery of this curriculum.

Please find attached an information booklet and our policy, which explains how we teach this at Shustoke C of E Primary School. You are then invited to complete a short survey about it. Please click on the link below to access it.

<https://www.surveymonkey.co.uk/r/WL96N6J>

If you would like to make any comments or ask any questions, please email the school by Friday 19<sup>th</sup> February. After this date the RSHE policy and curriculum progression will be finalised.

You can contact the school office on: [shustokeparents@welearn365.com](mailto:shustokeparents@welearn365.com)

Thank you for your support.

Yours sincerely

N. Thomas (Mrs)
