Wednesday 24th March

Dear Parents/Carers,

Thank you to those who completed the parent questionnaire about Relationships, Health and Sex Education at Shustoke C of E Primary School. The key findings were as follows:

- Nearly all parents clearly understand what is covered in Relationships, Health and Sex Education lessons across the school.
- All parents agreed that the content is appropriate for their child and they were pleased it was being delivered.
- Most parents felt confident in answering their children's questions about Relationships, Health and Sex Education, but some indicated that they would like to be informed about further reading and websites they could share with their child.

If you would like to see the results in more detail, please find them on the school website in the following location:

<https://shustoke.secure-primariesite.net/relationships-sex-and-health-education/>

Please see below some links and a suggested book to support parents further on this topic.

Please do not hesitate to contact school if you have any questions or if you require any further support.

Yours sincerely,

N. Thomas (Mrs)
