

Years 1 – 6 Science topics 2023/24

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	<p>Seasonal changes (throughout year-one lesson a half term on weather and observing how plants change)</p> <p>Animals including humans</p>	Materials – How are different materials used for different purposes?	Rocks and soils	Living things and their habitats	Properties and Changes of Materials	Living things and their Habitats
Autumn 2	Animals including humans	Materials – How are different materials used for different purposes?	Magnets and forces	Changes of state	Properties and Changes of Materials	Electricity
Spring 1	Materials – What materials are used in our everyday lives?	Animals including Humans	Living Things – Nutrition	Animals including humans – focus on digestion	Forces	Evolution
Spring 2	Materials – What materials are used in our everyday lives?	Plants	Living Things – Movement	Animals including humans – focus on digestion	Earth and Space	Animals including humans – focus on circulatory system
Summer 1	Plants	Living Things and their Habitats	Plants	Sound	Living Things - Life Cycles	Light
Summer 2	Plants	Living Things and their Habitats	Light	Electricity	Animals including Humans	Focus on units that need revisiting for consolidation.
