School Vision

At Shustoke, all are encouraged to flourish and let their light shine. Passionate staff guide and support children to become compassionate, respectful, forgiving and confident individuals equipped to persevere when faced with challenges and to serve their community as Jesus taught us. Like a tree planted by streams of water, Children grow strong in wisdom. They explore talents, interests, and spirituality through opportunities to live life in all its fullness. Through our shared values, loving relationships are nurtured, and doors are opened to a future filled with hope, joy, and peace. Together, we all thrive.

Coleshill Grammar School Foundation

If you are finding paying for school trips and uniform challenging, please consider applying for a grant from The Coleshill Grammar School Foundation. The process is very easy. It is an online form. It is confidential and they will contact you directly.

<https://www.coleshillgst.org.uk/515-application-form>

As a small school we would not be able to offer these educational visits for children without parent's support. We understand that the current financial climate is difficult for a lot of families and would encourage you to apply for a grant.

Coleshill Youth Brass Band

Coleshill Youth Brass Band came into school this week to demonstrate the instruments and play a concert for children in Years 2 to Year 6. The children really enjoyed the music. The Youth Band are having an open day on Sunday 28th September from 2.00 pm – 4.00 pm at Coleshill Town Hall. Please see the end of the newsletter for more details.

Collective Worship

This week, Reverend Mark led our Collective Worship with a thoughtful reflection on Harvest. He encouraged us to consider where our everyday foods come from and highlighted the vital role that cereals, especially wheat, play in our diets.

In the UK, wheat begins to ripen in July and August, transforming from vibrant green to a rich golden hue. Once ready, it's harvested and transported in trailers to be safely stored. From there, it takes different paths—some wheat is milled into flour for baking, while some is used to produce popular breakfast cereals like Shredded Wheat.

Reverend Mark reminded us how important it is to appreciate the journey our food takes—from field to fork—and to be thankful for the farmers and producers who make it all possible.

O Lord my God, how great you are! (Psalm 104.1)

- From the sky, you send rain on the hills, and the earth is filled with your blessings. You make grass grow for the cattle and plants for us to use, so that we can grow our crops and produce wine to make us happy, olive oil to make us cheerful and bread to give us strength. (Psalm 104.13-15)

- Lord, you have made so many things! How wisely you made them all! The earth is filled with your creatures. (Psalm 104.24)

- All of them depend on you to give them food when they need it. You give it to them, and they eat it; you provide food, and they are satisfied. (Psalm 104.27-28)

- I will sing to the Lord all my life; as long as I live, I will sing praises to my God. (Psalm 104.33)

Prayer

Creator God,
Thank you for the different cereals that we enjoy.
Help us to start each new day by being thankful.
Amen.

Year 3 News

This week, Year 3 turned into rock scientists – with chocolate! They started by breaking up the “igneous rocks” to show erosion and weathering. Then they pressed the pieces together to make sedimentary rocks.

With some heat and pressure from their hands, the rocks changed again into metamorphic rocks. After that, they melted the chocolate into “magma” and let it cool to form brand new igneous rocks.

It was messy, chocolatey, and so much fun – and the best part was getting to taste the rock cycle at the end!

Volunteers

We would be very appreciative if parents or grandparents have any time available to volunteer in school this year.

We are always grateful for any extra support that parents can give to assist with listening to children read or support with local walks, educational visits, sports events etc. Also, it may be that you work within an industry or have a hobby that lends itself to supporting with classroom sessions, e.g. yoga, gardening, artistic talents, cookery, construction etc.

As with all members of staff and visiting professionals, parent volunteers will need an enhanced DBS certificate which can be completed via school.

Please send your child in with a Waterproof coat.

Please can all uniform, coats, shoes, lunch boxes and water bottle be clearly labelled with your child's name.

Attendance Matters

The attendance for Year 1 has been excellent for last week with 100% attendance.

Closely followed with good attendance from Y5 = 98.2% attendance.

The Government target for attendance is 97%.

School attendance is very important. Please could we ask you not to book a holiday during term time. If there is an exceptional circumstance and you have completed a Leave of Absence request form, Miss Wall will consider your request. Holidays in term time will not be granted unless the exceptional circumstance criteria are met.

School Uniform

We want our pupils to regard their time in school as important and believe that wearing sensible and suitable clothes is a mark of respect for themselves and their school. With parental support, we can encourage our pupils to adopt the right attitude to learning and to school. Dressing appropriately is part of that process.

Part of our responsibility is to ensure that our children are "Secondary Ready," and this includes the wider aspects of school life as well as the taught curriculum. Secondary schools, and many work places take a very firm approach to compliance with uniform rules and codes, and it is important that children follow these. Having chosen Shustoke C of E Primary School, parents are 'signing -up' to all of our expectations for school uniform – including acceptable hairstyles, jewellery and accessories.

Please clearly label all clothing. Lost property is retained for half a term. Unclaimed property is then disposed of.

The school uniform is:

Boys

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey trousers (or smart knee length shorts)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Black sensible shoes (no sandals or trainers)
- ✓ Plain black grey or white socks
- ✓ A warm winter coat
- ✓ A sun hat

Girls

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey skirt/pinafore (knee length)
- ✓ Grey trousers (no logo, sequins, or patterns)
- ✓ Smart knee length shorts in the (Summer only, and not with tights)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Blue and white check dresses (Summer)
- ✓ Black sensible shoes (no sandals or trainers or heeled shoes)
- ✓ Plain black grey or white socks or tights
- ✓ A warm winter coat
- ✓ A sun hat

Boots may be worn to school in poor weather; however children will be required to change in to shoes once inside the building.

PLEASE NOTE: If you wish to contact school with a confidential or sensitive matter, or a hometime arrangement please use the Shustokeparents@welearn365.com email address.

The shustokelearning@welearn365.com email address should be used to submit examples of work to teachers or for general communication directly with the class teacher.

Thank you for your cooperation in this matter.

PE Kit Reminder.

The PE Uniform has been chosen to be in line with the colour scheme that children wear on non-PE days so that they look smart and in uniform at all times.

Staff have noticed that some children are coming into school in black tracksuits and trainers in a range of colours. There are many advantages to the children arriving in their PE kit, but if this is to be successful, it is important that the PE uniform is followed in the same way as the regular uniform.

Please could you ensure that your child wears the correct kit.

The PE Kit is:

Plain Black Joggers (no logo)

Plain Black Shorts (no cycle shorts please) for indoor PE

Plain Royal Blue round necked T shirt (with or without School Logo only)

Plain Royal Blue Hoodie (with or without School Logo only)

Plain Black Trainers (no stripes, symbols or soles in different colours)

Plain Black Plimsolls (Pumps) for indoor PE – kept in school.

Hairstyles

We have noticed that there are a few children with hairstyles that do not comply with the dress code.

- Boys and girls hairstyles need to be traditional rather than fashion statement hairstyles – no shorter than No.2 grade clipping.
- We do not accept shaven tramlines/patterns/shapes/ shaved partings.
- Large hair accessories should not be worn (e.g. **large** flowers/bows/clips/headbands worn in the hair and wraps and beading that could get caught in equipment and apparatus).
- Wide headbands or headscarves, although not part of the general school uniform, are acceptable in place of a sun hat as part of sun protection during the Summer Term.
- Long hair needs to be tied back for PE (boys and girls).
- Hair colouring is not acceptable.

Jewellery

Safety standards are important in school and jewellery presents a safety hazard. We would prefer children not to wear any jewellery whatsoever in school for health and safety reasons.

However, we do permit a watch and one pair of small, plain stud earrings (such as the type used when ears are first pierced). These should be removed at home on the days when your child has swimming or P.E. lessons.

Novelty watches including Sports Performance Watches, or fashion earrings cause distraction and are not appropriate.

If you do decide to have your child's ears pierced, may we request that this is done **at the beginning of the Summer Holidays** so that they are sufficiently healed for the earrings to be removed for P.E. and swimming at the beginning of the Autumn Term.

Shustoke Scarecrow Festival

Dear Parents and Carers,

We are excited to announce that our school will be hosting a Scarecrow Festival on Friday 17th October, from 3:00–4:00pm. We are hoping this will be a fun-filled, family event.

School is proud to celebrate our local area and its rural traditions. Families are warmly invited to design and enter their own scarecrow. There are two categories:

- ✚ Traditional Scarecrow
- ✚ Novelty Scarecrow

Entries can be in one of two size groups:

- ✚ Small (under 30cm/ 1 foot)
- ✚ Large (up to 125cm/ approx. 4ft)

The cost to enter is £3 per scarecrow, and this can be a family entry. There will be prizes for each category. Families or individuals may be as creative as they wish!

Alongside the scarecrow display, there will be refreshments, games, and a selection of autumnal crafts available to purchase – perfect for getting into the seasonal spirit.

To add to the fun, it will be a non-uniform day on the 17th October. We are inviting children to come dressed in barn dance style clothing such as jeans, checked shirts, or other country-inspired attire, for a donation towards a bottle tombola. These will be collected at the school gate on the morning of the event.

Scarecrow entries are to come into school on the morning of Friday 17th October, along with an entry slip (distributed closer to the date) and £3 in cash.

We hope you will join us in making this a wonderful, creative celebration for our school community and a chance to honour the farming heritage that surrounds us.

Good luck!

WEEKLY NEWSLETTER: Autumn 1: Week ending 26th September

Hi Parent or Guardian,

Is your child more excited about music this evening?

Apologies, that might have something to do with **Rocksteady Music School!**

Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?

Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to **learn new musical skills, make friends and have fun** - all at school! Rocksteady lessons are also shown to boost **confidence, wellbeing, social skills** and even **academic achievement**.

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an **Ofqual-regulated music qualification**, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There's **no experience necessary** and **all instruments for lessons are provided**.
- You can choose if they shine on **vocals, keyboard, drums, guitar or bass**.
- Proudly watch as your child performs in their **end of term concerts**, showing just how far they have come!
- **Rocksteady band leaders are professional musicians** who inspire a passion for music and support your child every step of the way.

Lessons are £44.68 per month with nothing to pay in August. There's a **money-back guarantee** for the first month and you can **cancel at any time**. Places are offered on a first come, first served basis.

Visit rocksteadymusicschool.com to sign up.

Best wishes,
