

Curriculum Intent for French

At Shustoke, we want children to have access to MFL as stated in the National Curriculum;

The national curriculum for languages aims to ensure that all pupils:

1. understand and respond to spoken and written language from a variety of authentic sources
2. speak with increasing confidence, fluency and spontaneity, finding ways of communicating what they want to say, including through discussion and asking questions, and continually improving the accuracy of their pronunciation and intonation
3. can write at varying length, for different purposes and audiences, using the variety of grammatical structures that they have learnt
4. discover and develop an appreciation of a range of writing in the language studied.

A high-quality languages education should foster children's curiosity and deepen their understanding of the world. The teaching should enable children to express their ideas and thoughts in another language and to understand and respond to its speakers, both in speech and in writing. It should also provide opportunities for them to communicate for practical purposes, learn new ways of thinking and explore different cultures outside their own.
