

Shustoke Snow Learning

At Shustoke we recognise the importance of life experiences, such as 'snow days' and understand the value of time together as a family. Below are some activities and ideas to make the most of your day. We would love to see what you have been up to, so please do share a photograph or two with your class via shustokelearning@welearn365.com.

Have a wonderful day!

Snow Challenges

Leave some food out for the birds or other animals. Sit quietly somewhere and watch - what animals come eat the food?
Next morning can you identify any of the animal tracks in the snow?

How long can you keep a snowball for?
You are not allowed to put it in the freezer - what could you do to stop it melting?

Make a snow man
Who can make the biggest snowman? Tell some snowman jokes.

Go Sledging

How could you make your sledge go faster?
Design a better sledge.
What materials would you use?

You may want to help clear the path ways of snow.
What would you use to clear the snow?
Why do we put salt on icy paths?

Catch a snowflake!
Look carefully at your snowflake.
What do you notice?
It is symmetrical.
Make some symmetrical patterns of your own.

Get cosy!

After lots of fun outside, get warm and cosy inside with your favourite book/movie/board game and a warm drink!
