Week beg 13 <sup>th</sup> July	Summer Show	Years 5 and 6
<b>Friday 17<sup>th</sup> July</b>	<b>Staff Training day – School closed.</b>	

## School Vision

At Shustoke, all are encouraged to flourish and let their light shine. Passionate staff guide and support children to become compassionate, respectful, forgiving and confident individuals equipped to persevere when faced with challenges and to serve their community as Jesus taught us. Like a tree planted by streams of water, Children grow strong in wisdom. They explore talents, interests, and spirituality through opportunities to live life in all its fullness. Through our shared values, loving relationships are nurtured, and doors are opened to a future filled with hope, joy, and peace. Together, we all thrive.

"Be like a postage stamp, stick to something until you get there!" – Josh Billings.

Monday 13 <sup>th</sup> April	All Children	Staff welcome children back to school for the new term. Gates open at 8.40am, ready to begin lessons at 8.45am.

## Sports News

Team Shustoke have achieved something truly remarkable this week. After first lifting the Local Schools Cup, the team powered through the County Finals a few weeks ago. On Wednesday they took part in the Regional Finals and were triumphant in winning the event!! The team remained undefeated throughout the entire day and they did not concede a single goal. Their incredible organisation, teamwork and determination have set them apart at every stage. As a result of this outstanding achievement, Team Shustoke have now secured a place in the National Finals, taking place at Stoke City FC, where they will represent and compete against schools from across England.

We would like congratulate all of the team members for their wonderful accomplishment—an outstanding display of performance, determination and respect from start to finish. Well done!

"Be like a postage stamp, stick to something until you get there!" – Josh Billings.

## Collective Worship

### Mother's Day

Isaiah 66:13

"As a mother comforts her child, so will I comfort you."

Rev Mark and Mrs Curry, who is training to be a Vicar, led collective worship this week. Mrs Curry told us a story about a mother hen.

A peaceful farmyard turns into a frightening place when a sudden storm rolls in. Thunder booms, the wind howls, and the tiny chicks become scared and lost in the tall grass. Mother Hen, brave and steady, calls out to them instead of going to hide herself. The chicks race to her, and she shelters them beneath her warm feathers. Inside their "feather blanket," they feel safe, protected from the rain and lightning. The storm rages on, but Mother Hen's love stays strong, keeping her little ones calm until the danger passes.

Mrs Curry then explained that God's love is like the Hens feather blanket keeping us all safe and protected.

Isaiah 66:13

"As a mother comforts her child, so will I comfort you."

Mothering Sunday is a day to say thank you to the people who are like that Mother Hen for us.

The people who give us the wing to hide under when we are sad or tired.

Even when those people aren't with us, God's love is always wrapped around us like that blanket.

Dear God,

Thank you for the gift of mothers and all those who care for us with a mothering heart.

Thank you that when life feels loud or scary, your love is like a warm blanket wrapped around us.

Help us to be 'comforters' to our friends today, showing them the same kindness that you show to us.

Amen.

"Be like a postage stamp, stick to something until you get there!" – Josh Billings.

## Year 2 News

### Year 2- Art- Thursday 12<sup>th</sup> March.

On Thursday, Year 2 began their new Art unit by exploring how artists use colour to create mood and contrast. The children learned about the colour wheel and identified primary and secondary colours, before sorting these into warm and cool groups. Using this knowledge, they created striking sun-and-moon artworks that combined warm and cool colour contrasts. The children mixed their own secondary colours and used paint to bring their designs to life.

## Year 5 News

This week, Year 5 have enthusiastically embraced their learning about the Anglo-Saxons. The children have enjoyed researching what daily life was like during this period in history, as well as discovering where the Angles, Saxons and Jutes originally came from prior to settling in Britain. They explored the seven Anglo-Saxon kingdoms and learned about how these kingdoms were ruled.

As part of their learning, the children showed great creativity by designing their own Anglo-Saxon shields for one of the kingdoms. They carefully based their designs on the colours, patterns and styles used by the Anglo-Saxons, producing some creative and thoughtful pieces of work.

In English, the class have begun reading Beowulf, where the children were introduced to the brave prince who is prepared to battle a fierce monster. They have thoroughly enjoyed learning about this legendary hero and are looking forward to discovering what happens next in the story.

"Be like a postage stamp, stick to something until you get there!" – Josh Billings.

## Lent Carbon Challenge

Lent is a time for reflection, when we think carefully about how we live, and a time when many people choose to give something up help us and others become more thoughtful and caring. Our school Worship Council, School Parliament and Eco Council got together to discuss and reflect on how we can improve our school and home environments. Our carbon footprint matters because it has a powerful impact on our planet and God's creations. As a group we came up with some simple ideas we could do during Lent and going forward.

**Light Switch Champions**

- Turn lights off when the class leaves
- Check that lights aren't on unnecessarily
- Encourage use of natural light where possible

**Encourage classes to:**

- Turn off screens before going to lunch
- Unplug chargers not in use
- Switch off classroom lights before leaving the classroom

**In our homes we thought about:**  
**Electricity-Free Challenges**  
**Doing activities that need no energy:**

- Drawing
- Lego
- Chalk art
- Outdoor games
- Shorter Showers! Set a 4 minutes challenge using a timer. This would help because heating water uses lots of energy.

We would like you to create a poster with as many ways to cut energy use as possible. We can then gather all the different ideas and share them with families.

"Be like a postage stamp, stick to something until you get there!" – Josh Billings.

WEEKLY NEWSLETTER: Autumn 1: Week ending 13th March 2026

## *Parking of cars in the local area*

May we respectfully request that cars are parked considerately and that road markings are observed to ensure the safety of all of our school community, and residents of Shustoke. The parish car park is available for use at the beginning and the end of the school day. The car park is currently very muddy.

Thank you for your cooperation in this matter.

### Please send your child in with a warm waterproof coat.

Please can all uniform, coats, shoes, lunch boxes and water bottle be clearly labelled with your child's name.

If it is a rainy day please send your child in wellies with a pair of shoes to change into when they get to school. Thank you

### Attendance Matters

**Well done to Year 1 = 99.1%, Year 3 = 100%, Year 4 = 99.1% and Year 5 = 98.5% attendance for the last week. Excellent attendance.**

**The Government target for attendance is 97%.**

School attendance is very important. Please could we ask you not to book a holiday during term time. If there is an exceptional circumstance and you have completed a Leave of Absence request form, Miss Wall will consider your request. Holidays in term time will not be granted unless the exceptional circumstance criteria are met.

WEEKLY NEWSLETTER: Autumn 1: Week ending 13th March 2026

## School Uniform

We want our pupils to regard their time in school as important and believe that wearing sensible and suitable clothes is a mark of respect for themselves and their school. With parental support, we can encourage our pupils to adopt the right attitude to learning and to school. Dressing appropriately is part of that process.

Part of our responsibility is to ensure that our children are "Secondary Ready," and this includes the wider aspects of school life as well as the taught curriculum. Secondary schools, and many work places take a very firm approach to compliance with uniform rules and codes, and it is important that children follow these. Having chosen Shustoke C of E Primary School, parents are 'signing –up' to all of our expectations for school uniform – including acceptable hairstyles, jewellery and accessories.

Please clearly label all clothing. Lost property is retained for half a term. Unclaimed property is then disposed of.

The school uniform is:

### Boys

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey trousers (or smart knee length shorts)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Black sensible shoes (no sandals or trainers)
- ✓ Plain black grey or white socks
- ✓ A warm winter coat
- ✓ A sun hat

### Girls

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey skirt/pinafore (knee length)
- ✓ Grey trousers (no logo, sequins, or patterns)
- ✓ Smart knee length shorts in the (Summer only, and not with tights)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Blue and white check dresses (Summer)
- ✓ Black sensible shoes (no sandals or trainers or heeled shoes)
- ✓ Plain black grey or white socks or tights
- ✓ A warm winter coat
- ✓ A sun hat

*Boots may be worn to school in poor weather; however children will be required to change in to shoes once inside the building.*

## PE Kit Reminder.

The PE Uniform has been chosen to be in line with the colour scheme that children wear on non-PE days so that they look smart and in uniform at all times.

Staff have noticed that some children are coming into school in black tracksuits and trainers in a range of colours. There are many advantages to the children arriving in their PE kit, but if this is to be successful, it is important that the PE uniform is followed in the same way as the regular uniform.

Please could you ensure that your child wears the correct kit.

### The PE Kit is:

- Plain Black Joggers (no logo)
- Plain Black Shorts (no cycle shorts please) for indoor PE
- Plain Royal Blue round necked T shirt (with or without School Logo only)
- Plain Royal Blue Hoodie (with or without School Logo only)
- Plain Black Trainers (no stripes, symbols or soles in different colours)
- Plain Black Plimsolls (Pumps) for indoor PE – kept in school.**

## Hairstyles

We have noticed that there are a few children with hairstyles that do not comply with the dress code.

- Boys and girls hairstyles need to be traditional rather than fashion statement hairstyles – no shorter than No.2 grade clipping.
- We do not accept shaven tramlines/patterns/shapes/ shaved partings.
- Large hair accessories should not be worn (e.g. **large** flowers/bows/clips/headbands worn in the hair and wraps and beading that could get caught in equipment and apparatus).
- Wide headbands or headscarves, although not part of the general school uniform, are acceptable in place of a sun hat as part of sun protection during the Summer Term.
- Long hair needs to be tied back for PE (boys and girls).
- Hair colouring is not acceptable.

## Jewellery

**Safety standards are important in school and jewellery presents a safety hazard. We would prefer children not to wear any jewellery whatsoever in school for health and safety reasons.**

However, we do permit a watch and one pair of small, plain stud earrings (such as the type used when ears are first pierced). These should be removed at home on the days when your child has swimming or P.E. lessons. Novelty watches including Sports Performance Watches, or fashion earrings cause distraction and are not appropriate. If you do decide to have your child's ears pierced, may we request that this is done **at the beginning of the Summer Holidays** so that they are sufficiently healed for the earrings to be removed for P.E. and swimming at the beginning of the Autumn Term.

**PLEASE NOTE: If you wish to contact school with a confidential or sensitive matter, or a hometime arrangement please use the [Shustokeparents@welearn365.com](mailto:Shustokeparents@welearn365.com) email address.**

**The [shustokelearning@welearn365.com](mailto:shustokelearning@welearn365.com) email address should be used to submit examples of work to teachers or for general communication directly with the class teacher.**

**Thank you for your cooperation in this matter.**

### **The Coleshill Grammar School Trust**

To qualify from our individual grant funding applicants must be **aged 25 or younger**, **attend one of the schools in the Coleshill Cluster** (or have attended The Coleshill School), and **be in financial need**. All applications will be considered on their 'educational merit' and impact against the long term aspirations and goals. As a charity we are required to carefully consider each application to ensure that it meets its objectives, but also to apply the available funds in a way that makes the biggest impact.

**If you are struggling to pay for uniform or school trips please look on The Coleshill Grammar School Trust website and you can apply for a grant.**

## FREE SCHOOL MEALS

**School meals are free for lots of families, check if you are eligible to apply!**

### So much more than lunch...

A free school meal:

- creates healthy eating habits
- improves learning and behaviour
- saves money and time
- helps schools get extra funding

Did you know that claiming free school meals means that your child will get access to free school holiday activities and food?

**To find out more and for help to apply for free school meals, please contact:**  
[freemeals@warwickshire.gov.uk](mailto:freemeals@warwickshire.gov.uk) or call 01926 359189

## Can I apply?

Your child could be eligible for free school meals if you get any of the following:

- Income Support or Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support from National Asylum Support Service (NASS)
- Guarantee Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

You should still apply if your child is aged 4-7 and receives a universal free school meal

**Find out more and apply at**  
[www.warwickshire.gov.uk/fsm](http://www.warwickshire.gov.uk/fsm)

## Warwickshire Family and Relationship Support

**Workshops and Programmes for parents and carers. Online guides, virtual and face to face sessions.**

Empower your parenting journey with our insightful workshops and programmes. Join our virtual and face to face events to gain practical skills and supportive community for navigating the joys and challenges of parenthood.

**To book scan the QR code:**  
 Follow the page for regular updates  
 You can find our online guides at

## School Money

### Downloading and registering for the Eduspot app

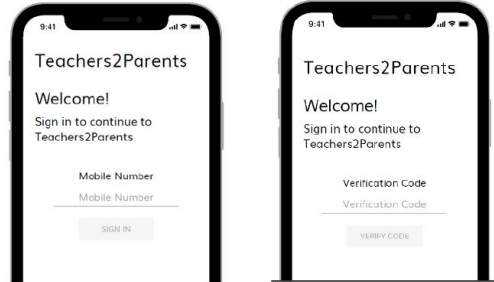

You will only need to register and login to the Eduspot App once. Once you have done this, the app will remain permanently logged on, unless you delete the app.

First, you will need to download the app onto your device through the relevant app store; it is compatible with both Android and Apple iOS. Please search for 'Teachers2Parents' in the Google Play or Apple App Store.

Once opened a screen will pop up, this screen will ask you to register your mobile phone number. It will match that phone number with the one on record at the school, so please ensure the school has your correct details.

If your mobile number is not recognised, please contact the school and ask them to check the number registered to the account.

After your phone number has been entered, you will be asked for a verification code. This will be sent via SMS to the mobile number you entered.

Enter the code and press Verify Code.

If your email address isn't registered with SchoolMoney a second screen may pop up. This will ask you to confirm your email address so that when you make a payment a receipt can be sent out to you. Enter your email address in both boxes and press Continue.

You will then be sent to the homepage.

For further information about using the App, please ask your child's school for our full App Guide.

**After school Sports Clubs**

Please wear sports clothing suitable for the weather conditions

Warwickshire Music  
MUSIC FOR LIFE

Discover the Power of Music with Warwickshire Music

Warwickshire Music

Bring the Magic of Music into your home with instrumental or vocal lessons with Warwickshire Music.

Playing an instrument or learning to sing helps young people to unlock their imagination, boost confidence, lift spirits and improves literacy, numeracy and listening skills. With our specialist music teachers, your child will develop their love of music and learn creative skills for life.

With FREE instrument hire for your first year of learning, and opportunities to join a range of ensembles and performance events, start your child's musical journey now!

For more information and to sign up for lessons, please scan the code below or follow the link:

ROCK STEADY

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND AT SCHOOL?

Hi Parent or Guardian,

Is your child more excited about music this evening?

Apologies, that might have something to do with Rocksteady Music School!

Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?

Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to learn new musical skills, make friends and have fun - all at school! Rocksteady lessons are also shown to boost confidence, wellbeing, social skills and even academic achievement.

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an Ofqual-regulated music qualification, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There's no experience necessary and all instruments for lessons are provided.
- You can choose if they shine on vocals, keyboard, drums, guitar or bass.
- Proudly watch as your child performs in their end of term concerts, showing just how far they have come!
- Rocksteady band leaders are professional musicians who inspire a passion for music and support your child every step of the way.

Lessons are £44.88 per month with nothing to pay in August. There's a money-back guarantee for the first month and you can cancel at any time. Places are offered on a first come, first served basis.

Visit [rocksteadymusicschool.com](http://rocksteadymusicschool.com) to sign up.

Best wishes,

Rachel Hawker  
Director of Education
