Plastic Free Assembly

On Tuesday we were delighted to welcome Ruth Payne from Warwickshire County Council into school to deliver a whole-school assembly about plastic waste. The assembly was informative and engaging, helping pupils to understand what single-use plastic is, and the impact it has on the environment. Ruth shared lots of practical and achievable ideas for simple swaps we can all make, to reduce our use of single-use plastics in everyday life.

After the assembly, Ruth met with our Eco Council and set them a number of tasks to support them in leading the school's efforts to reduce plastic waste. We are excited to see how their work will help us become a more environmentally friendly school.

Warwickshire's Schools Waste and Recycling E-newsletter

Today, Ruth from Warwickshire waste management visited your child's school. We hope your child enjoyed the visit and has learned a bit more about the following topics:

- Recycling
- Composting
- Waste Free Lunches
- Becoming Plastic Free

We haven't left the parents out. Here is a little something for you to do at home:

- Slim Your Bin
- Waste Free School Lunches
- How to buy a compost bin from the Recycling Centre
- What can you do about climate change at home?

Slim Your Bin

Use your own custom HTML.

Join Slim Your Bin to learn how to recycle more and waste less in order to shed pounds from your rubbish bin. By slimming your bin, you'll help to shrink your environmental footprint and save money at the same time!

When you sign up, we'll set you up with a 4 week training plan to help you Slim Your Bin. Each week we'll send you emails on a new bin slimming theme: from shifting everything you can from your rubbish bin to recycling bin, getting the right thing in the right bin, cutting down on food waste and minimising waste in general.

With Slim Your Bin, you'll earn points for the bin slimming activities you take part in and every month we'll give out £20 vouchers to the individual dieters who earn the most points.

Trying to think of a healthy packed lunch for your child can be a headache but trying to help the environment too can prove a challenge. We've pulled together some ideas from our own experience plus health advice from the NHS. You can easily search for eco-friendly lunch box products on the internet, but we have gone for items you may already have in your cupboards.

Items you will need:

- Insulated reusable lunch box
- Tupperware lunch box
- Reusable drinks bottle
- Reusable wrapping - beeswax wrap or tin foil (can be reused a few times and is infinitely recyclable - place small pieces in a tin can for recycling)

The NHS recommends a balanced lunchbox containing:

- Starchy foods like bread, rice, potatoes or pasta
- Protein foods like meat, fish, eggs or beans
- A dairy item, like cheese or yogurt
- Vegetables or salad and a portion of fruit

A clear head is required to try and create a healthy lunchbox that your child will also actually eat. To avoid food waste and brain overload on busy mornings, create a menu that has been approved by your child and will feed into your shopping list. Here are just some examples:

- Monday - Cheese roll, carrot sticks, apple, breadsticks
- Tuesday - Pasta salad, cucumber sticks, banana
- Wednesday - Cream cheese and cucumber wrap, peppers, plums (stone removed)

Portion size is important to avoid food waste and reducing the cost of the packed lunch. Children have small tummies and may not need two slices of bread to make a sandwich. One slice might be enough, also cutting the cost of the sandwich in half.

[BBC Good Food](#) has more lunchbox inspiration.

What can you do about climate change at home?

Following the 'code-red for humanity' warnings in August from the UN's Intergovernmental Panel on Climate Change (IPCC), we might be forgiven for thinking that there is little anyone can do in the face of such stark findings. ([BBC report](#)) However, the report states that catastrophe can be avoided if we act quickly.

Small changes in our day-to-day lives add up. Here are some of the things we can all do to make a difference.

1. Avoid food waste. Some people are totally horrified by the idea of wasting food which is great news for climate change. Not everyone has that understanding. [Love Food Hate Waste](#) is a good place to start.
2. Reuse and refill what you can. Single-use items are a waste of resources from the mining of the raw materials to processing and transporting and are often difficult to recycle.
3. Recycle. Recycling items that can't be avoided or reused is the best option for reducing climate change impact. Recycling means you don't need to mine new materials and use less electricity and water to manufacture new products.
4. Buy less. But if you really need to buy something consider pre-loved first.

Open the Book

Last week, *Open the Book* took us to a town called **Lystra**.

Paul and Barnabas were telling people the good news about **Jesus**. A man was listening very carefully. He had never walked in his whole life — not once.

Paul looked at him, and saw that he believed God could help him. Then Paul said loudly, **“Stand up!”**

Immediately, the man jumped up and began to walk! The crowd were amazed.

But the people misunderstood what had happened. They thought Paul and Barnabas were gods and wanted to worship them. Paul and Barnabas quickly said, “Stop! We are only people like you. We are here to tell you about the **one true God**, who made everything.”

Some people were happy to hear this. Others became angry and hurt Paul. Everyone thought it was the end — but God was not finished. Paul got back up and continued sharing the good news. God gave him courage to keep going.

Message to remember:

God is powerful, Jesus is the true hero, and God helps us be brave — even when things are hard.

Year 3/4 Girls Football

Well done to the Year 3/4 girls football team. They have qualified for the tournament final, winning two out of the three games today. This is a wonderful achievement.

May we respectfully request that cars are parked considerately and that road markings are observed to ensure the safety of all of our school community, and residents of Shustoke. Thank you for your cooperation in this matter.

Please send your child in with a warm waterproof coat.

Please can all uniform, coats, shoes, lunch boxes and water bottle be clearly labelled with your child's name.

Sunny days are on their way.

Please send your child with a hat and sun cream.

Attendance Matters

**Well done to Year 3 = 98.3%, Year 4 = 98/1% and Year 5 99.2% attendance for last week.
Excellent attendance.**

The Government target for attendance is 97%.

School attendance is very important. Please could we ask you not to book a holiday during term time. If there is an exceptional circumstance and you have completed a Leave of Absence request form, Miss Wall will consider your request. Holidays in term time will not be granted unless the exceptional circumstance criteria are met.

School Uniform

We want our pupils to regard their time in school as important and believe that wearing sensible and suitable clothes is a mark of respect for themselves and their school. With parental support, we can encourage our pupils to adopt the right attitude to learning and to school. Dressing appropriately is part of that process.

Part of our responsibility is to ensure that our children are "Secondary Ready," and this includes the wider aspects of school life as well as the taught curriculum. Secondary schools, and many work places take a very firm approach to compliance with uniform rules and codes, and it is important that children follow these. Having chosen Shustoke C of E Primary School, parents are 'signing -up' to all of our expectations for school uniform – including acceptable hairstyles, jewellery and accessories.

Please clearly label all clothing. Lost property is retained for half a term. Unclaimed property is then disposed of.

The school uniform is:

Boys

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey trousers (or smart knee length shorts)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Black sensible shoes (no sandals or trainers)
- ✓ Plain black grey or white socks
- ✓ A warm winter coat
- ✓ A sun hat

Girls

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey skirt/pinafore (knee length)
- ✓ Grey trousers (no logo, sequins, or patterns)
- ✓ Smart knee length shorts in the (Summer only, and not with tights)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Blue and white check dresses (Summer)
- ✓ Black sensible shoes (no sandals or trainers or heeled shoes)
- ✓ Plain black grey or white socks or tights
- ✓ A warm winter coat
- ✓ A sun hat

Boots may be worn to school in poor weather; however children will be required to change in to shoes once inside the building.

PE Kit Reminder.

The PE Uniform has been chosen to be in line with the colour scheme that children wear on non-PE days so that they look smart and in uniform at all times.

Staff have noticed that some children are coming into school in black tracksuits and trainers in a range of colours. There are many advantages to the children arriving in their PE kit, but if this is to be successful, it is important that the PE uniform is followed in the same way as the regular uniform.

Please could you ensure that your child wears the correct kit.

The PE Kit is:

- Plain Black Joggers (no logo)
- Plain Black Shorts (no cycle shorts please) for indoor PE
- Plain Royal Blue round necked T shirt (with or without School Logo only)
- Plain Royal Blue Hoodie (with or without School Logo only)
- Plain Black Trainers (no stripes, symbols or soles in different colours)
- Plain Black Plimsolls (Pumps) for indoor PE – kept in school.**

Hairstyles

We have noticed that there are a few children with hairstyles that do not comply with the dress code.

- Boys and girls hairstyles need to be traditional rather than fashion statement hairstyles – no shorter than No.2 grade clipping.
- We do not accept shaven tramlines/patterns/shapes/ shaved partings.
- Large hair accessories should not be worn (e.g. **large** flowers/bows/clips/headbands worn in the hair and wraps and beading that could get caught in equipment and apparatus).
- Wide headbands or headscarves, although not part of the general school uniform, are acceptable in place of a sun hat as part of sun protection during the Summer Term.
- Long hair needs to be tied back for PE (boys and girls).
- Hair colouring is not acceptable.

Jewellery

Safety standards are important in school and jewellery presents a safety hazard. We would prefer children not to wear any jewellery whatsoever in school for health and safety reasons.

However, we do permit a watch and one pair of small, plain stud earrings (such as the type used when ears are first pierced). These should be removed at home on the days when your child has swimming or P.E. lessons. Novelty watches including Sports Performance Watches, or fashion earrings cause distraction and are not appropriate. If you do decide to have your child's ears pierced, may we request that this is done **at the beginning of the Summer Holidays** so that they are sufficiently healed for the earrings to be removed for P.E. and swimming at the beginning of the Autumn Term.

PLEASE NOTE: If you wish to contact school with a confidential or sensitive matter, or a hometime arrangement please use the Shustokeparents@welearn365.com email address.

The shustokelearning@welearn365.com email address should be used to submit examples of work to teachers or for general communication directly with the class teacher.

Thank you for your cooperation in this matter.

ROCK STEADY

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND AT SCHOOL?

Hi Parent or Guardian,

Is your child more excited about music this evening?

Apologies, that might have something to do with **Rocksteady Music School!**

Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?

Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to **learn new musical skills, make friends and have fun** - all at school! Rocksteady lessons are also shown to boost **confidence, wellbeing, social skills** and even **academic achievement**.

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an **Ofqual-regulated music qualification**, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day, there's no experience necessary and all instruments for lessons are provided.
- You can choose if they shine on vocals, keyboard, drums, guitar or bass.
- Proudly watch as your child performs in their end of term concerts, showing just how far they have come!
- Rocksteady band leaders are professional musicians who inspire a passion for music and support your child every step of the way.

Lessons are £44.88 per month with nothing to pay in August. There's a money-back guarantee for the first month and you can cancel at any time. Places are offered on a first come, first served basis.

Visit rocksteadymusicschool.com to sign up.

Best wishes,
