## School Vision

At Shustoke, all are encouraged to flourish and let their light shine. Passionate staff guide and support children to become compassionate, respectful, forgiving and confident individuals equipped to persevere when faced with challenges and to serve their community as Jesus taught us. Like a tree planted by streams of water, Children grow strong in wisdom. They explore talents, interests, and spirituality through opportunities to live life in all its fullness. Through our shared values, loving relationships are nurtured, and doors are opened to a future filled with hope, joy, and peace. Together, we all thrive.

"We are not what we know but what we are willing to learn."

## Year 1 News

Year One pupils enjoyed learning about David Attenborough as they celebrated his 100th birthday. The children were inspired by his important message that small actions can make a big difference to our world.

Through their learning, the pupils discovered how Sir David Attenborough helps people across the globe to understand and care for nature. They explored how even young children can play their part in protecting the environment, starting right here at Shustoke C of E Primary School.

As part of their work, the children carried out a wildlife audit around our school grounds. They carefully observed different areas, using checklists to identify how wildlife-friendly our environment is. The pupils looked for signs of nature, considered what habitats are available, and discussed how we could improve our school environment.

Creating amazing bug hotels would help the minibeasts around our school. Jack

We could care for the environment by planting butterfly and bee friendly flowers around school. Nancy

We could create posters and place them around school and the local area teaching people not to drop litter. Emily

The children showed fantastic enthusiasm and responsibility, suggesting simple but powerful actions such as picking up litter, caring for plants, and being kind to insects. They understood that everyone has a role to play in looking after our world.

This meaningful learning experience not only developed the children's knowledge about nature and sustainability, but also empowered them to become responsible young citizens who care for their environment. We think Sir David would be proud.

## Year 3 News

In Science this week, Year 3 explored how water is transported through the stem of a plant. Using kitchen roll, water and felt-tip pens, the children investigated capillary action and observed how water travels upwards, just like it does inside a real plant stem. The class showed excellent scientific observation skills throughout the investigation.

## *Football News*

Our Year 3 and 4 girls' football team recently competed in their finals after successfully making it through the earlier rounds of the competition. The standard of competition was incredibly fierce this time and, although the girls did not come away with the win, they should be extremely proud of their achievements.

Throughout the tournament, the team demonstrated determination, teamwork and resilience. Most importantly, their sportsmanship and team spirit truly shone through, and they represented the school brilliantly from start to finish. Well done, girls!

## Cricket News

Last week, the whole school enjoyed an exciting Cricket Day led by a qualified coach from the All Stars and Dynamos Cricket programme. Every year group took part in a fun and engaging taster session where the children developed their batting, bowling and fielding skills through a range of activities and games.

Throughout the day, the children showed enthusiasm, teamwork and determination. The sessions quickly became very competitive within classes, with everyone eager to improve their scores and support their team mates. It was wonderful to see so many children trying a new sport, building confidence, and enjoying being active outdoors.

A huge thank you to the coach, Jay for delivering such energetic and enjoyable sessions. The day was a brilliant opportunity to inspire children to take part in cricket and discover a lifelong love of sport.

## Year 1 News

This half term, the children have been exploring where plant-based foods come from and learning how fruits and vegetables help to keep our bodies healthy and strong. Their learning is linked to the traditional tale *Jack and the Beanstalk*, adding an exciting storytelling element to their work.

The children have had the opportunity to taste, sort and discuss a range of fruits and vegetables, using simple vocabulary to describe their flavour, colour and texture. They have developed important food preparation skills, learning about good hygiene, using clean equipment and practising safe cutting techniques.

As part of their learning, the children designed and made a healthy snack for Jack, choosing ingredients they enjoy. They safely prepared their fruit kebabs and 'magic' bean spread.

## *Parking of cars in the local area*

May we respectfully request that cars are parked considerately and that road markings are observed to ensure the safety of all of our school community, and residents of Shustoke. The parish car park is available for use at the beginning and the end of the school day.

Thank you for driving carefully and for your cooperation in this matter.

### **Please send your child in with a warm waterproof coat.**

Please can all uniform, coats, shoes, lunch boxes and water bottle be clearly labelled with your child's name.

**Sunny days are here.**

**Please send your child with a hat and sun cream.**

If it is a rainy day please send your child in wellies with a pair of shoes to change into when they get to school. Thank you

### **Attendance Matters**

**Well done to Reception = 99.5% and Year 3 = 97.9% attendance for last week.  
Excellent attendance.**

**The Government target for attendance is 97%.**

School attendance is very important. Please could we ask you not to book a holiday during term time. If there is an exceptional circumstance and you have completed a Leave of Absence request form, Miss Wall will consider your request. Holidays in term time will not be granted unless the exceptional circumstance criteria are met.

## School Uniform

We want our pupils to regard their time in school as important and believe that wearing sensible and suitable clothes is a mark of respect for themselves and their school. With parental support, we can encourage our pupils to adopt the right attitude to learning and to school. Dressing appropriately is part of that process.

Part of our responsibility is to ensure that our children are "Secondary Ready," and this includes the wider aspects of school life as well as the taught curriculum. Secondary schools, and many work places take a very firm approach to compliance with uniform rules and codes, and it is important that children follow these. Having chosen Shustoke C of E Primary School, parents are 'signing -up' to all of our expectations for school uniform – including acceptable hairstyles, jewellery and accessories.

Please clearly label all clothing. Lost property is retained for half a term. Unclaimed property is then disposed of.

The school uniform is:

### Boys

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey trousers (or smart knee length shorts)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Black sensible shoes (no sandals or trainers)
- ✓ Plain black grey or white socks
- ✓ A warm winter coat
- ✓ A sun hat

### Girls

- ✓ Royal blue jumper/sweatshirt/cardigan
- ✓ Grey skirt/pinafore (knee length)
- ✓ Grey trousers (no logo, sequins, or patterns)
- ✓ Smart knee length shorts in the (Summer only, and not with tights)
- ✓ Royal blue polo shirt (with or without logo)
- ✓ Blue and white check dresses (Summer)
- ✓ Black sensible shoes (no sandals or trainers or heeled shoes)
- ✓ Plain black grey or white socks or tights
- ✓ A warm winter coat
- ✓ A sun hat

*Boots may be worn to school in poor weather; however children will be required to change in to shoes once inside the building.*

## PE Kit Reminder.

The PE Uniform has been chosen to be in line with the colour scheme that children wear on non-PE days so that they look smart and in uniform at all times.

Staff have noticed that some children are coming into school in black tracksuits and trainers in a range of colours. There are many advantages to the children arriving in their PE kit, but if this is to be successful, it is important that the PE uniform is followed in the same way as the regular uniform.

Please could you ensure that your child wears the correct kit.

### The PE Kit is:

- Plain Black Joggers (no logo)
- Plain Black Shorts (no cycle shorts please) for indoor PE
- Plain Royal Blue round necked T shirt (with or without School Logo only)
- Plain Royal Blue Hoodie (with or without School Logo only)
- Plain Black Trainers (no stripes, symbols or soles in different colours)
- Plain Black Plimsolls (Pumps) for indoor PE – kept in school.**

## Hairstyles

We have noticed that there are a few children with hairstyles that do not comply with the dress code.

- Boys and girls hairstyles need to be traditional rather than fashion statement hairstyles – no shorter than No.2 grade clipping.
- We do not accept shaven tramlines/patterns/shapes/ shaved partings.
- Large hair accessories should not be worn (e.g. **large** flowers/bows/clips/headbands worn in the hair and wraps and beading that could get caught in equipment and apparatus).
- Wide headbands or headscarves, although not part of the general school uniform, are acceptable in place of a sun hat as part of sun protection during the Summer Term.
- Long hair needs to be tied back for PE (boys and girls).
- Hair colouring is not acceptable.

## Jewellery

**Safety standards are important in school and jewellery presents a safety hazard. We would prefer children not to wear any jewellery whatsoever in school for health and safety reasons.**

However, we do permit a watch and one pair of small, plain stud earrings (such as the type used when ears are first pierced). These should be removed at home on the days when your child has swimming or P.E. lessons. Novelty watches including Sports Performance Watches, or fashion earrings cause distraction and are not appropriate. If you do decide to have your child's ears pierced, may we request that this is done **at the beginning of the Summer Holidays** so that they are sufficiently healed for the earrings to be removed for P.E. and swimming at the beginning of the Autumn Term.

**PLEASE NOTE: If you wish to contact school with a confidential or sensitive matter, or a hometime arrangement please use the [Shustokeparents@welearn365.com](mailto:Shustokeparents@welearn365.com) email address.**

**The [shustokelearning@welearn365.com](mailto:shustokelearning@welearn365.com) email address should be used to submit examples of work to teachers or for general communication directly with the class teacher.**

**Thank you for your cooperation in this matter.**

### **The Coleshill Grammar School Trust**

To qualify from our individual grant funding applicants must be **aged 25 or younger**, **attend one of the schools in the Coleshill Cluster** (or have attended The Coleshill School), and **be in financial need**. All applications will be considered on their 'educational merit' and impact against the long term aspirations and goals. As a charity we are required to carefully consider each application to ensure that it meets its objectives, but also to apply the available funds in a way that makes the biggest impact.

**If you are struggling to pay for uniform or school trips please look on The Coleshill Grammar School Trust website and you can apply for a grant.**

## FREE SCHOOL MEALS

**School meals are free for lots of families, check if you are eligible to apply!**

### So much more than lunch...

A free school meal:

- creates healthy eating habits
- improves learning and behaviour
- saves money and time
- helps schools get extra funding

Did you know that claiming free school meals means that your child will get access to free school holiday activities and food?

**To find out more and for help to apply for free school meals, please contact:**  
[freemeals@warwickshire.gov.uk](mailto:freemeals@warwickshire.gov.uk) or call 01926 359189

## Can I apply?

Your child could be eligible for free school meals if you get any of the following:

- Income Support or Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support from National Asylum Support Service (NASS)
- Guarantee Pension Credit
- Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190
- Working Tax Credit run-on - paid for four weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

You should still apply if your child is aged 4-7 and receives a universal free school meal

## School Money

### Downloading and registering for the Eduspot app

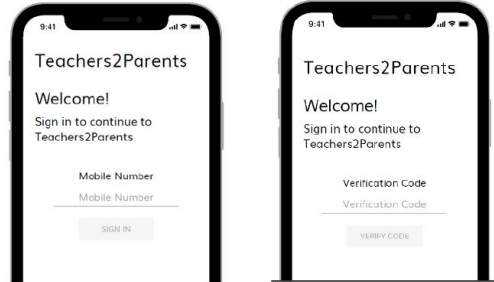

You will only need to register and login to the Eduspot App once. Once you have done this, the app will remain permanently logged on, unless you delete the app.

First, you will need to download the app onto your device through the relevant app store; it is compatible with both Android and Apple iOS. Please search for 'Teachers2Parents' in the Google Play or Apple App Store.

Once opened a screen will pop up, this screen will ask you to register your mobile phone number. It will match that phone number with the one on record at the school, so please ensure the school has your correct details.

If your mobile number is not recognised, please contact the school and ask them to check the number registered to the account.

After your phone number has been entered, you will be asked for a verification code. This will be sent via SMS to the mobile number you entered.

Enter the code and press Verify Code.

If your email address isn't registered with SchoolMoney a second screen may pop up. This will ask you to confirm your email address so that when you make a payment a receipt can be sent out to you. Enter your email address in both boxes and press Continue.

You will then be sent to the homepage.

For further information about using the App, please ask your child's school for our full App Guide.

ROCK STEADY

WOULD YOUR CHILD LIKE TO PLAY IN THEIR OWN ROCK BAND AT SCHOOL?

Hi Parent or Guardian,

Is your child more excited about music this evening?

Apologies, that might have something to do with Rocksteady Music School!

Today your child got a taste of what it's like to perform in a band, and this letter tells you how they can be part of the fun every week.

What is Rocksteady?

Rocksteady band lessons give children the chance to play in their very own band through weekly rock and pop lessons. It's the perfect way to learn new musical skills, make friends and have fun - all at school! Rocksteady lessons are also shown to boost confidence, wellbeing, social skills and even academic achievement.

Your child will learn to play songs instantly through listening and playing. There is no music theory involved and lessons are fun, inclusive and accessible. They will be making progress in every lesson and can also achieve an Ofqual-regulated music qualification, accredited by Trinity College London, without having to take a single exam!

Here's what else you need to know:

- Most lessons take place during the school day. There is no experience necessary and all instruments for lessons are provided.
- You can choose if they shine on vocals, keyboard, drums, guitar or bass.
- Proudly watch as your child performs in their end of term concerts, showing just how far they have come!
- Rocksteady band leaders are professional musicians who inspire a passion for music and support your child every step of the way.

Lessons are £44.88 per month with nothing to pay in August. There's a money-back guarantee for the first month and you can cancel at any time. Places are offered on a first come, first served basis.

Visit [rocksteadymusicschool.com](http://rocksteadymusicschool.com) to sign up.

Best wishes,
