

Making a Memory Jar

Spend some time reflecting on your time at home over the last couple of months. Complete the memory jar sheet below and bring it to school with you to share with your teacher and friends.

This memory jar belongs to...

With my family...	My favourite moment...
MY BEST MEMORIES	
Funniest moment...	Best thing I've learned...

The worksheet is designed to look like a large jar with a lid. The lid has a dashed line for a label that says "This memory jar belongs to...". The jar's body is divided into several sections. The top section is split into two columns: "With my family..." on the left and "My favourite moment..." on the right. Below these is a wide horizontal band with the text "MY BEST MEMORIES" in large, bold, outlined letters, flanked by two stars. The bottom section is also split into two columns: "Funniest moment..." on the left and "Best thing I've learned..." on the right. The background of the worksheet is light blue with white zig-zag patterns.
