Year 5 Space Centre Trip

Year 5 had a fabulous day on their visit to The National Space Centre! 🚀🌍 They climbed a tower to see a real rocket and some of them got to drive a Mars rover. They all watched an amazing show in the planetarium, discovered what life is like in space for astronauts and discovered more about the planets in our solar system.

Reception Class News

Over the past few weeks in maths, the children in Reception have been exploring matching, sorting and comparing. They have had lots of opportunities to match physical objects and identify objects that do not match using the vocabulary 'same' and 'different'. The children have been introduced to the concept of identifying sets of different objects. They have been encouraged to see groups of objects as sets by pointing these out in images, stories and in the classroom provision.

Applying for Free School Meals:

For the new school year starting in September 2026, there will be two categories of free school meal eligibility depending on your financial circumstances:

- **Targeted free school meals** for those getting Universal Credit with annual household earnings of £7,400 or less, or another qualifying benefit
- **Expanded free school meals** for anyone getting Universal credit whose annual earnings are above £7,400.

Households in **both categories** will benefit from the financial savings of getting free school meals.

Households who fall into the **targeted category** will get access to additional benefits:

- **Holiday activities and food (HAF) programme** is for children aged 4 to 16 in reception to year 11 in receipt of benefits-related free school meals in the targeted category. HAF offers eligible pupils access to activities and at least one healthy meal is provided during each session. The activities take place during the Easter, summer, and Christmas school holidays
- **Pupil premium** is extra funding paid directly to schools for each pupil who is eligible for free school meals in the Targeted category. It can help to fund valuable teaching and learning support to improve pupil's education.

If you have already received a notification from us to confirm your child/ren's free school meal eligibility status for the 2026/27 school year, then you do not need to do **anything, unless your child/ren attend a school on our list of schools we are unable to process free school meals for. If they are at one of these schools, you will need to** contact the school directly to ensure they have re-checked your child's entitlement to free school meals and if this will continue.

If your child has never received free school meals before, then please **apply online**, as long as your child attends a school who works with us on free school meals.

Once you have applied for free school meals, if your child is eligible, they will remain eligible for that whole school year, regardless of any changes to your circumstances. If your child is in Reception, Year 1 or Year 2, they will automatically be entitled to universal infant free school meals - you do not have to apply for these. However, if you do meet the benefits-related free school meals eligibility criteria, then it is advised you apply as you may receive the additional benefits described above.

All applications will be considered on their 'educational merit' and impact against the long term aspirations and goals. As a charity we are required to carefully consider each application to ensure that it meets its objectives, but also to apply the available funds in a way that makes the biggest impact.

If you are struggling to pay for uniform or school trips please look on The Coleshill Grammar School Trust website and you can apply for a grant.
