

Safeguarding Update

We want you to know that the welfare and safety of our children continues to be our main priority especially during these very challenging times. We still have Designated Safeguarding Leads on standby who can offer support and advice to keep our children safe.

Please make contact via email to admin3207@welearn365.com or call us on 01675481319 and leave a message marked **URGENT** if you have any concerns.

If you think a child is in immediate danger please dial 999 and contact the Police.

You can also find support via from the following services:

Warwickshire Multi-Agency Safeguarding Hub (MASH team) - 01926 414144

Warwickshire Emergency Duty Team - 01926 886922

Warwickshire Family Information Service - 01926 742274

Child Line - 08001111

Samaritans - 116123

Domestic Violence Hotline - 08002000247

MIND mental health support - 03001233393

La Leche (help for mums accessing formula milk) - 03451202918

We would also ask that you follow guidelines to keep you child safe on line. We do appreciate that home study will see our children accessing the internet for much longer than usual. We have attached some advice to parents below to support you with this.

We are currently looking at ways we can continue supporting you over the Easter break.

Finally please be aware of any email or caller who asks for your personal details. The DfE have drawn our attention to such a scam relating to parents entitled to Free School Meals.
