Joining the Warwickshire Library Service

Dear Parents and Guardians,

At Shustoke, we value all opportunities for our children to read for pleasure and to widen their knowledge, comprehension and vocabulary through books. All children in school are able to join the Warwickshire Library Service for free, which provides a range of services and resources, including:

- Use of any Warwickshire library
- borrow ten books free of charge
- borrow ten eBooks and eAudiobooks
- read eMagazines and eNewspapers online
- borrow CDs
- use the internet and other computer services including scanning and printing when libraries are open
- use subscription websites, for free, in the library and at home
- borrow from the foreign language collection
- request items from other library services (interlibrary loan).

If you don't have a library card and would like to become a member, you can join online using the following link: <https://www.warwickshire.gov.uk/libraries-2/join-library> or visit the library to enrol in person, when the service is open. Registration is quick and easy, and membership is lifelong.

I hope that you enjoy taking advantage of the wealth of reading materials and other resources that are on offer for free at your local library.

Yours sincerely,

C. Brown (Mrs)
English Coordinator
